

PRODUCT RANGE LIST

Mills Computer Products (International) Limited, founded in 1982, is a wholly owned subsidiary of Print-Rite Holdings Limited. The Group is a dynamic fast growing international company specialising in the manufacture and marketing of a wide range of high quality compatible imaging supplies.

The group has achieved its reputation as a cost-effective and high-quality manufacturer by investing in some of the industry's most vertically integrated production equipment. An extensive Research and Development laboratory ensures our presence at the forefront of new product development, design and technology.

The investment in quality assurance has resulted in being awarded the prestigious ISO9001 and ISO14001 accreditation certified by the British Institute of Standardization and the Hong Kong Quality Assurance Agency. As a pioneer in implementing green quality and product safety management, all our products are RoHS-compliant and satisfy the requirements under the new EU REACH regulations.

With this quality focused infrastructure, Mills Computer Products (International) Limited provides the international service link through quality, service and value, we are confident that our customers are receiving the highest quality compatible ink-jet cartridges, ink-jet refills, remanufactured toners, toner kits, ink and ribbon products available.
